# HANGING INSTALL INSTRUCTIONS

In the Box:
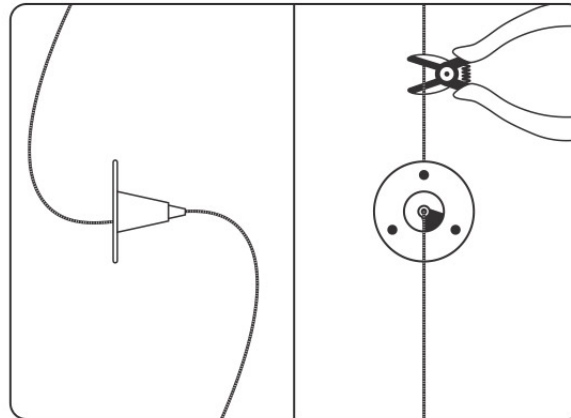

Screws
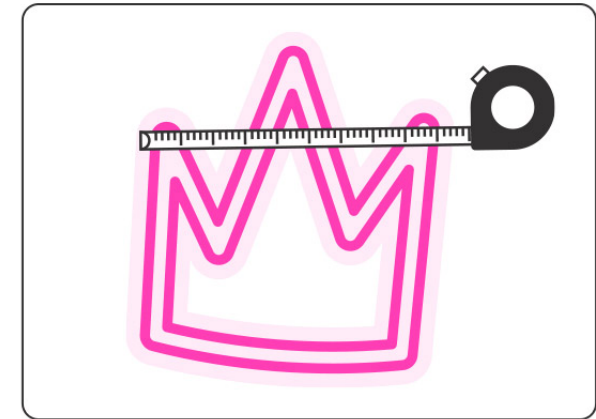

Wall Plugs

Wire & Clamps

Clamp Bolt

Ceiling Mounts

Allen Key

1 | **Pull wire through ceiling mount to adjust hanging height, then trim**
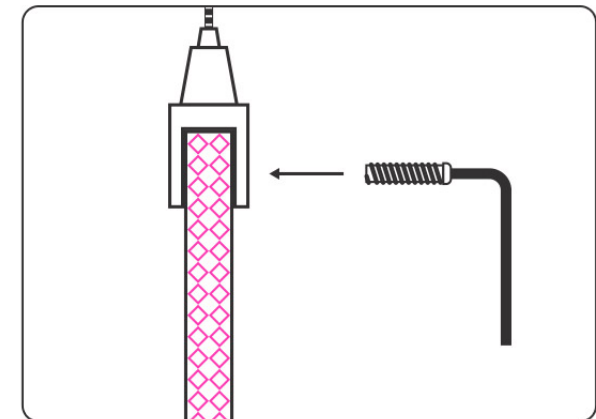

2 | **Measure distance between the holes in the backboard**

3 | **Use these measurements to screw the mounts into the ceiling**

4 | **Unscrew the bolt from the clamp, insert acrylic backboard and align to hole**

5 | **Thread bolt back into the clamp and tighten with allen key**
